

CLUB AWARD WINNERS - CLUB CHAMPIONSHIPS

The Club currently hosts its annual Club Championships - a “multi-event” style competition where all athletes perform the same events and earn points based on performance (using the state multi-event tables). The girl and boy athletes with the highest cumulative point totals in each age group are named the winners. The Club Championships contest a sprint, distance, throw and jump for U6-U7 and a sprint, distance, hurdles, throw and jump for U8+.

2016/2017
