

### CLUB RECORDS – GIRLS INDIVIDUAL EVENTS

The original Little Athletics competition included age groups through U12. Over the years, additional age groups have been introduced: U13 (1982/83), U14 (1985/86), U15 (1987/88) and U17 (2008/09).

Events have at times been added or eliminated. In some cases, specifications for the events have changed. Records are kept for events that are no longer offered and for each specification. **An asterisk (\*) indicates that the specification has been superseded and/or the event is no longer offered.**
