

CLUB AWARD WINNERS

MOST IMPROVED, ENCOURAGEMENT AND PB AWARDS

At various times, the Club has awarded “Most Improved” or “Encouragement Awards” to recognize the efforts of those athletes who show progress and commitment to the sport. Neither of these awards are currently offered as they have been replaced by PB awards that recognise those athletes in the Club who have accumulated the most PBs during the season.

1987/1988 – MOST IMPROVED
