

**CLUB RECORDS - STATE COMBINED EVENTS CARNIVAL  
(called State Multi Event prior to 2019)**

In 1990, LANSW first offered an annual combined events carnival. In 1998, the point system changed (previous records were converted). In 2009, the U17 Age Group was added. In 2021, the competition was run with limited participants due to the COVID-19 pandemic. The number of events contested has changed over time and separate records are kept based on contested event number). An \* denotes records that are not currently contested.
